DRR L 100-20 Legato VA
DRR L 140-20 Legato VA
DRR L 160-20 Legato VA
DRR L 200-20 Legato VA

Grating is made of **stainless steel**.

Offered in different dimensions:
width 100 / 140 / 160 / 200 mm
height 20 mm

Standard grating length: **1.0 m** -
1.5 m feasible using just one
part.

Corner surcharge for gratings
made of **stainless steel**.
width 100 / 140 / 160

SILVA

DRR SI 100-20 VA/CU Silva
DRR SI 140-20 VA/CU Silva
DRR SI 160-20 VA/CU Silva

Grating is made of **stainless steel**.

Offered in different dimensions:
width 100 / 140 / 160 mm
height 20 mm

Standard grating length: 1.0 m
feasible using just one part,
due to the design, no special
dimensions are available.

GRATING FOR LINE DRAIN RICHARD BRINK

Longitudinal bar grate **Hydra Linearis**
